## WELCOME TO OUR CAMPGROUND AND FACILITIES

A special place for many people. To keep it so, we request that you please follow the Golden Rule: *Do unto others as you would have them do unto you.* Be litter conscious. Bring trash bags and leave nothing behind but your footprints. Put your cigarette butts in the fire or the butt cans, please! Take only pictures. Kill only time. Be courteous and quiet.

- If you arrive late, we expect you to set up quickly and quietly.
- All radios and loud noise off and quiet time after 11:00 pm.
- All pets must be non-confrontational and on a leash. \$15 retrieval fee for loose pets.
- No bottle rockets or firecrackers due to potential damage. Ask about other fireworks.
- NO FIREARMS PERMITTED!
- Please curb your foul language.

**Our Main Campground** is along the river or we offer another secluded site on the hill for groups who wish to be off by themselves.

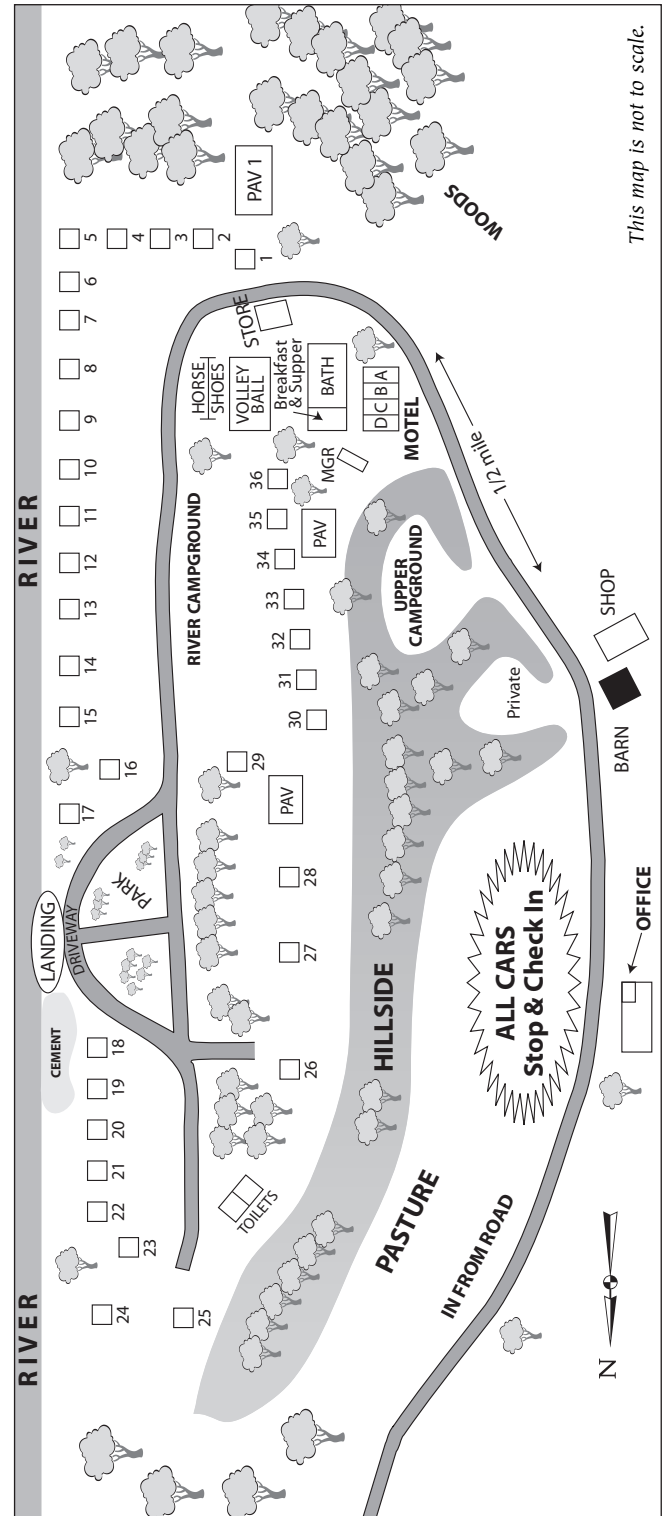

**We have four motel units** – 1 bedroom, bath, shower and air conditioning. Please bring your own sheets, blankets and towels.

*See rate schedule insert.*

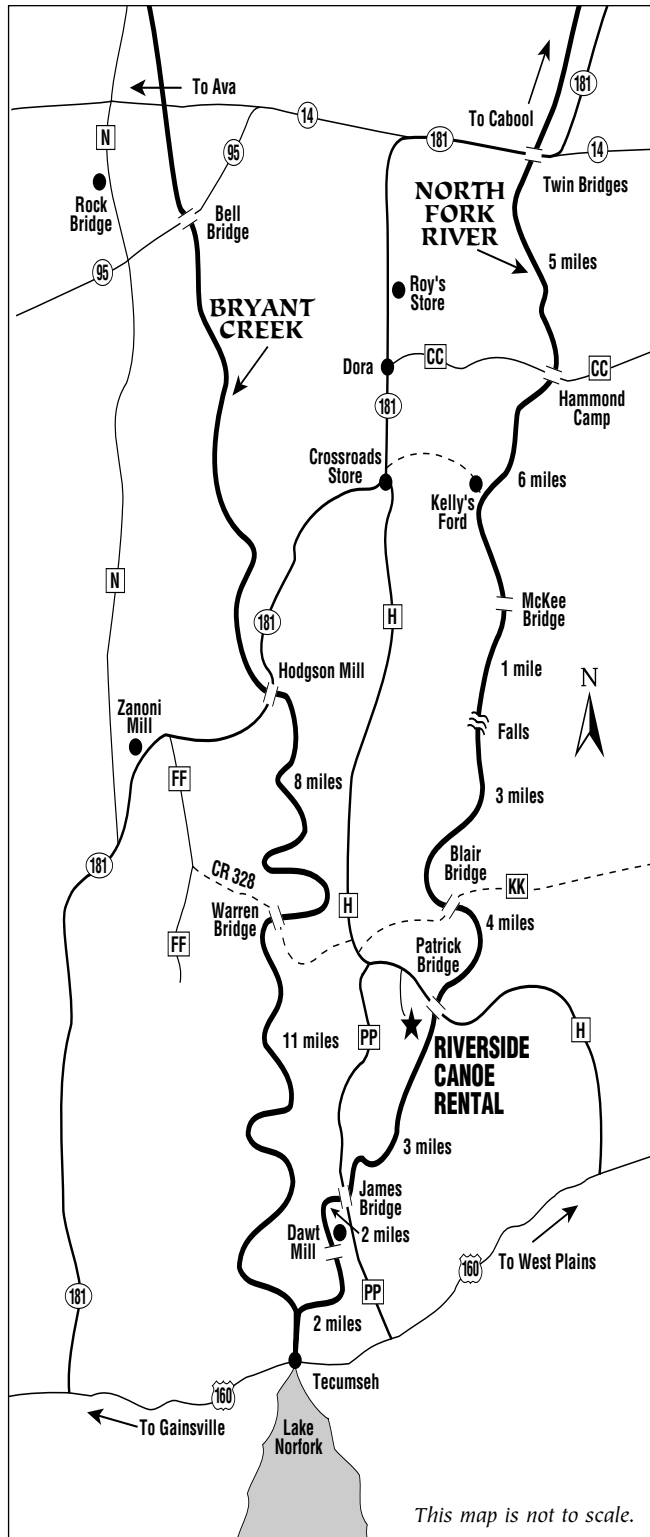

**We offer** the following even if you bring your own canoe:

- Hot showers • Flush toilets • Fire rings
- Picnic tables • Volleyball • Horseshoes
- **New Store!** Offering ice, firewood, T-shirts, hats, coolie cups, lighters, mantles, gifts and more.

## CAMPGROUND MAP

# RIVER MAP

# FUN! FUN! FUN!

Enjoy canoeing at its best at Riverside on the beautiful spring-fed North Fork River in the Heart of the Ozarks. Classed as I & II ease for floating, it is also a Wild Trout & Championship (required size 18" & 15") fishing river, stocked with rainbow and brown trout. Lovely Bryant Creek is a bass and catfish stream.

We now have two, 4-6 man rafts which we will float ONLY from Blair to Dawt (10:00 am run) or Blair to Riverside (up until 3:00 pm).

**FLOATS AVAILABLE ON THE NORTH FORK**  
 Hammond Camp to our camp\* . . . 6-8 hours Avg.  
 Blair Bridge to our camp . . . . . 2-3 hours Avg.  
 Blair Bridge to Dawt Mill . . . . . 4-6 hours Avg.  
 Our camp to Dawt Mill . . . . . 2-4 hours Avg.

**EXTRA CHARGE PER BOAT**  
 Blair Bridge to Tecumseh . . . . . 5-8 hours Avg.  
 Our camp to Tecumseh . . . . . 3-5 hours Avg.  
 \* Floats back to our campground. Our most popular float.

**FLOATS AVAILABLE ON BRYANT CREEK**  
 Hodgson Mill to Warren Bridge . . . 4-6 hours Avg.  
 Warren Bridge to Tecumseh . . . . . 5-7 hours Avg.  
 Extra charge per boat. Only available after 11:00 am on Saturdays during the season. Extra charge for take out at Tecumseh.

Haul to Twin Bridges or Hebron will add 5 or 10 miles respectively to the float. Extra charge for return to Blair Bridge on 2ND DAY of float. Extra charge per boat beyond Hammond upriver. We no longer do these floats on Saturday mornings during the season.

Floating hours to our landing are 8:30 am to 8:00 pm. Last pickup elsewhere is 7:00 pm.

We reserve the right to shorten your float if the finish time is later than 7:00 pm.

Any haul causing our driver to return after 7:00 pm will be \$5 extra per canoe. We will start charging a "late" deposit per canoe if this becomes a problem!

**CANOE DAMAGE** — In the event a canoe or equipment is damaged beyond normal wear and tear, we expect only the repair expense of the canoe. You will be charged the wholesale price of lost paddles and life jackets. Insurance can be purchased for \$2 per canoe at time of rental. Does not cover paddles, life jackets or cushions. \$20 deductible. A \$25 retrieval fee will be charged for abandoned or lodged canoes.

# ALCOHOL POLICY

Many float companies are choosing to ban alcohol. We choose *NOT* to do that! We expect you to be sensible and reasonable with your consumption of alcohol on the river and in the campground.

**But, if you can't have a good time without getting obnoxious, rowdy and loud, and observing our quiet time from 11:00 pm to 7:00 am, don't come here!**

Grossly drunken and obnoxious behavior will not be tolerated. Floating is a risk sport. You need use of your faculties for safety's sake.

**On the float trip, we will only allow the amount of alcohol in containers which will fit in one 28" x 15" x 16" or smaller cooler, per canoe.**

Glass containers are now illegal.

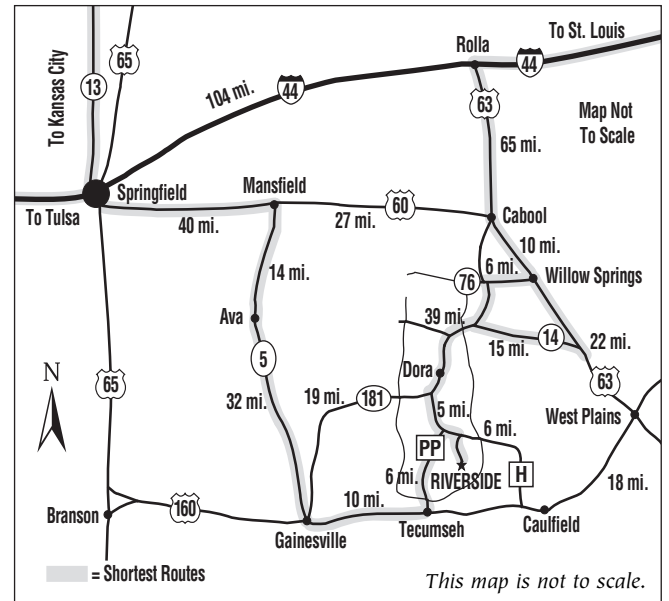

# DRIVING MAP

**GPS:** Latitude 36°38.331, Longitude 92°14.550

*Please don't attempt to use GPS for our address.*

*You will get lost.*
